

*November 24, 2020*

At this time, The Lakes Lutheran Church remains open for the groups and churches that use our facility.

**Each gathering is limited to no more than 50 persons per meeting space per State of Nevada guidelines.**

We strongly encourage each group to follow their submitted health and safety plan which includes keeping at least 6 feet apart (social distancing), cleaning and disinfecting high touch surfaces before and after meetings, as well as not lingering after meetings, Additionally, you must wear a face covering that covers both your nose and mouth ***at all times within the building and outside*** while you are on the property. This especially applies if you are presenting, talking, leading, or singing during a gathering.

When you meet in the building please keep an exterior door open to allow for fresh air flow.

If your group is in a position to meet virtually or suspend meetings, please consider making this change.

Thank you for safely meeting and for your support of The Lakes Lutheran Church and our Las Vegas community during this time.

Peace,

Pastor Ron Poe
