November 11, 2020

In Response to Nevada Stay at Home 2.0

On Tuesday, November 10, Governor Sisolak implemented Stay at Home 2.0. This is a request to Nevadans for the next two weeks to limit non-essential activities to slow the spread of COVID-19 within our community.

At this time, The Lakes Lutheran Church will continue to meet for in-person worship.

We strongly encourage each person who attends worship to follow the guidelines presented in The Lakes Lutheran Church Health & Safety plan, which includes self-screening before attending worship, keeping at least 6 feet apart (social distancing), wearing face coverings at all times within the building, cleaning and disinfecting high touch surfaces before and after worship, as well as not lingering after worship.

If you do not need to attend in-person, you are invited to consider attending worship online for the next two weeks.

Thank you for your help and support of The Lakes Lutheran Church and our Las Vegas community during this time.

Peace,

Pastor Ron Poe
